

An Employee Owned Company

QUALITY POLICY

Chroma Technology Corp is a 100% employee-owned organization committed to meeting the needs and expectations of our customers. We will ensure our employee-owners understand their role in meeting our quality objectives and contribute accordingly.

These objectives will be achieved by:

- Creating solutions to meet and exceed customer requirements and expectations.
- Continual improvement and innovation driven by customer-oriented business practices and consistent processes with well-defined key process indicators.
- Meeting ever-changing customer needs and addressing new market opportunities
